### **Soilbuild Construction bags second civil works project**

- Construction contract worth S\$19.9 million to construct lift shafts to existing pedestrian overhead bridges
- Second civil works project win after its first foray into the sector this year

Singapore, 19 October 2015 – Soilbuild Construction Group Ltd. (“**Soilbuild Construction**” or the “**Company**”, and together with its subsidiaries, the “**Group**”) is pleased to announce that, subsequent to the announcement on 17 September 2015 for its first civil works project to construct covered linkways to Downtown Line 3 and Tuas West Extension Stations, Soil-Build (Pte.) Ltd., a wholly-owned subsidiary of the Company, have been awarded its second civil works contract worth approximately S\$19.9 million, by the Land Transport Authority (the “**Authority**”) to construct lift shafts to existing pedestrian overhead bridges (the “**Contract**”).

Pursuant to the Contract, the project is scheduled to start in October 2015 and to be completed by the end of November 2017.

Mr. Ho Toon Bah, Executive Director of Soilbuild Construction, remarked “We are indeed very much encouraged to have been awarded this second civil works contract by the Authority within such a short time frame. We believe that with our commitment and expertise within our civil engineering team, we will be able to complete the project competently and efficiently.”

The Project is not expected to have any material impact on the consolidated net tangible assets per share and consolidated earnings per share of the Group for the current financial year ending 31 December 2015.

**The End**

**About Soilbuild Construction Group Ltd.:**

Soilbuild Construction is a general construction company with over 39 years of experience during which the Group has handled a wide range of projects, from residential buildings to conservation houses, schools, churches, industrial buildings and business parks. Soil-Build (Pte.) Ltd. (Soil-Build), a subsidiary of the Group, is graded A1 by Singapore's Building and Construction Authority, and has acted as the main contractor for projects which have won architectural and environmental awards over the years.
